Philips
TV Aerial

Indoor

UHF digital and analogue

SDV1130

Compact design

This indoor aerial will allow you to enjoy better reception for digital and analogue broadcasts. Its design will fit most living rooms. Thanks to its small size, this aerial will seem to be invisible in your interior.

Digital TV ready

- Digital and analogue reception

Easy to position

- Compact design fits virtually anywhere
- Multi-position UHF loop

PHILIPS

sense and simplicity

TV Aerial
Indoor UHF digital and analogue

SDV1130/05

Specifications

Highlights

Digital and analogue reception
The antenna receives both types of broadcast transmissions, maximising programming choices. It is optimised for digital broadcasts, but will still receive analogue signals.

Compact design
Compact design allows you to position the antenna virtually anywhere.
